# Your energy bill

## Message Center

**This bill reflects changes in the Supply and Delivery portions of your bill, effective June 1, 2020.** The change in the Supply portion of your bill is a result of the statewide supply auction that was approved by the BPU on February 5, 2020. The change in the Delivery portion of your bill is a result of a small decrease to the Non-Utility Generation Charge. As a result of these changes, a typical residential customer who receives electric supply from PSE&G and uses 6,920 kilowatt-hours per year will see an average monthly increase of \$5.57 or 4.1%. Tariff information may also be found by visiting [pseg.com](http://pseg.com).

**Your safety is our top priority. Know what to do if you smell gas.** Natural gas smells like rotten eggs. If you smell gas, leave the area immediately, and call 911 or PSE&G at 800-880-PSEG. Learn more at [pseg.com/gassafety](http://pseg.com/gassafety).
